INTRODUCTION

The Bolt Centre (Pvt) Ltd, established in October 2009, are importers and suppliers of all industrial fasteners i.e bolts, screws, nails, rivets and general hardware. Its fast growth in fastener industry is motivated by its commitment to improve customer service. Product quality, affordable prices and service delivery.

MISSION STATEMENT

To be the leading suppliers of quality products with affordable prices and best service that always suits your needs with excellence.

VISION

The Bolt Centre is here to stay and our long term plan is to be manufacturers of all types of bolts, screws and all other specialised items.

VALUES

The Bolt Centre always anchors its values on customer focus, transparency, honesty, integrity, total commitment to duty and discipline. Driven by the motto “customer is a king” we make sure you lack no bolt, screw, rivet, washer, nail e.t.c whenever you ask for it.

OUR STRENGTH

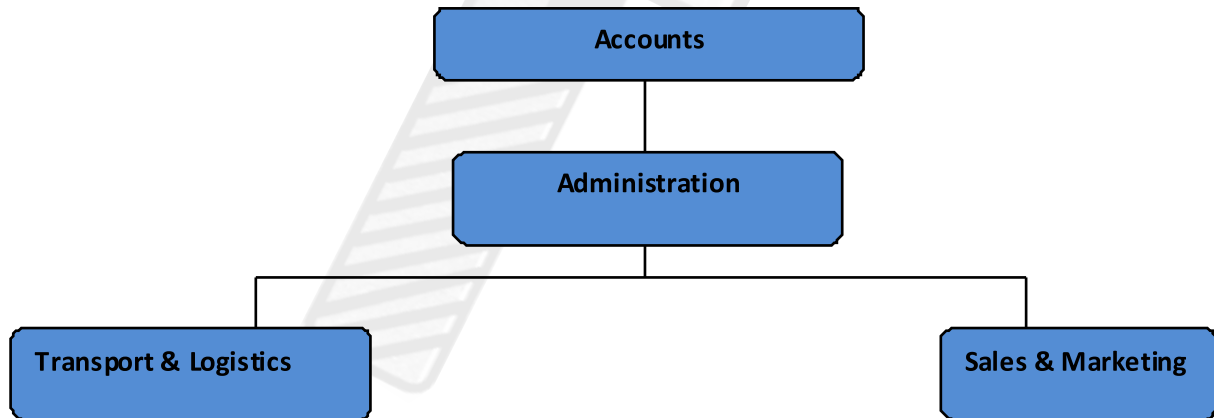

Our marketing strategy where we do not compromise when it comes to product quality, gives us the right platform to challenge our competitors. When it comes to customer service, we deliver where they do not and that makes us unique in the market. The best tool that settles it all with our competitors is our affordable prices which makes us untouchable in the market. We have the capacity to meet all your needs and our team work answers our strength in the market.

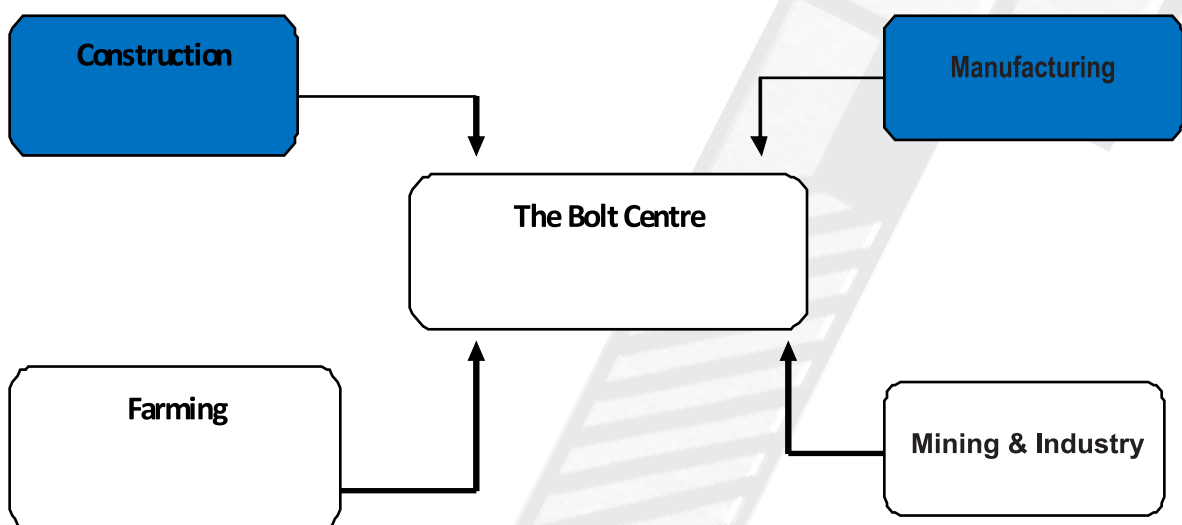

OPERATIONS

The Bolt Centre is made up of a very dynamic management team, with vast experience in fastener industry. This organisation is made up of a very vibrant accounts department, administration, transport and a marketing team that is prepared to tell it all there is about fasteners.

OUR MARKET

In fastener industry we serve many sectors i.e.
